

Summer T-Ball League Ages 3 - 7

Get ready for some summer fun!

T-Ball is structured to be non-competitive. Although players will go through the process of scoring runs and getting batters out, no record will be kept of runs or outs. The ball is not pitched; it is hit off a batting tee and every player bats and plays in the field.

T-Tots: Ages 3 & 4 - Instructional League

Game Time 5:30-6:15 pm

T-Tots is a modified version of T-ball geared toward 3-4 year olds. The intent is to provide a game that teaches some very basic fundamentals of baseball, in a fun and fast-paced game, without sacrificing the basic elements of baseball. Players and Coaches will be given instruction on the skills that should be taught during games. Parents can be involved with their child during the game if desired.

Lil' Sluggers: Age 5 - Beginning League

Game Time 6:30-7:15 pm

Lil' Sluggers is the perfect program for your 5 year old beginner who is ready to learn basic ball handling, hitting, and fielding skills, while still focusing on teamwork. Player participation and fun will be emphasized. Parents are welcome to have sideline involvement with their children.

Jammin' Slammers: Ages 6 & 7 - Intermediate League

Game Time 7:30-8:15 pm

Jammin' Slammers will focus on skill development and a better understanding of the game in a non-competitive atmosphere. Development of basic ball handling, hitting and fielding skills, while player participation, teamwork, and fun will be emphasized.
