

Learn to Ski!

Okemos Community Education is happy to participate in the Winter Walden Ski and Snowboard Club!

Instruction tailored for skiers and snowboarders from beginner to advanced, ages 6 to 16. Ski and snowboard rentals are available

For a \$225 membership fee your child can join Okemos Winter Walden and enjoy weekly access to great ski instruction. Members only pay for the trips they attend, and transportation, lessons, and lift tickets are included in the trip fee.

For information email Winterwalden@gmail.com

Children in the Winter Walden Ski and Snowboard Club are placed in small classes according to their ability, with a qualified instructor who is trained to show that skiing and snowboarding can be fun, regardless of the level. Students are evaluated in every class and advance to the next level as soon as they are ready. At Winter Walden we follow the guidelines of the American Teaching System and Snowboard Teaching System, and coordinate our levels with area ski schools

Learning the Winter Walden way is learning with a difference. Students receive more time on the slopes, more instruction time, and more time to enjoy the excitement that skiing and snowboarding can offer. All under expert guidance and supervision. www.winterwalden.com
